9/18 LAHHA Trail Ride

# Westwind 4-H Riding

Horseback riding is one of the few activities that is truly physically and psychologically therapeutic. It requires the involvement of the whole body and utilizes every muscle and joint. Disabled children, ranging in age from 5 to 18, receive amazing benefits from participating in the Westwind 4-H Riding program at Westwind Barn. For more information about how to volunteer, or enroll your child, contact 650-947-8680 or [www.westwind4h.org](http://www.westwind4h.org).

## Year Round Riding Program

The Year Round Riding Program (YRRP) offers riding lessons geared towards the beginning through advanced riders. The program focuses on learning to maintain an independent, balanced seat, tactful communication between horse and rider, and correct equitation. Students will learn the fundamentals of riding. Students will be taught how to safely handle horses, proper grooming techniques, maintenance of tack and unique characteristics of the horse. It is the understanding of the basic knowledge combined with proper riding skills, skills that makes a true horse person. Safety helmets are required for all mounted work and can be provided. Participants must come neatly dressed in form-fitting pants (no shorts), boots with heels, and a shirt that covers the shoulders. Jewelry is not allowed. Hair must be pulled back and out of the rider's face. For more information please contact Victoria Dye Equestrian at 650-691-5276 or [ridewithVDE@gmail.com](mailto:ridewithVDE@gmail.com).
